Story

The javelin takes you hundred thousand years back in time, the time that the human race discovered the world. Indispensable at that time is the Javelin spear, a slender and refined weapon. Today we discover the world in a different way. Start your discovery today with Javelin Eyewear.

We always aim for the best. Just like the spear Javelin Eyewear is made with the best materials we can find for a refined look. Light weighted, smooth lines and natural material for optimal comfort, we leave nothing to chance. This is why we always guarantee you the best quality and a fantastic discovery.

Let's explore the world together and become a javelineer with Javelin eyewear.
